Good-By, Tailor!

The other day we found this item tucked away in the corner of a New York paper:

"During the past twenty-five years, according to the United States census, merchant tailoring establishments have decreased 25 per cent."

Why? We'll tell you. It's because ready-to-wear garments of the best class are far superior in style, fit and finish to the mediocre productions of the average sleepy tailor and folks are finding it out.

It's the old, old law of the survival of the fittest. If you are tailor-tied, now is a good time to cut the string.

dress were quietly married in the parlors of the parsonage of Fifth Street Methodist Episcopal Church on Monday night. The marriage was kept exceedingly quiet.

Mrs. Charles T. Jones gave a most delightful "lucky" party in Corcoran Hall last night for the benefit of the Elks bazaar. A large crowd was present, and some very original costumes were shown.

Mr. R. E. Satchfield yesterday received a letter from his brother in Mississippi, who had not been heard from for fifteen years or seen for thirty-five years. Mr. Satchfield stated that he would come to Manchester this summer. Mr. Augustine Royall has returned from Powhatan, where he has been attending the Circuit Court.

Joseph E. Johnston Camp, Confederate Veterans, will meet tonight, at which time Mr. D. L. Pulliam will deliver an address. A musical program will also be rendered.

Mrs. Mabel Walthall, of Sutherland, who has been visiting her father, Mr. W. B. Walthall, in Swansboro, has returned home.

GREAT INTEREST IS MANIFESTED

Largest Congregation of Series Attended First Baptist Services.

The largest congregation that has attended a week-night service during the revival at the First Baptist Church, was present last evening, when Mr. Hulten gave a simple, earnest talk on "Jesus, Our Song."

Mr. Hulten opened by saying that the wonderful melodies of Handel, Beethoven, Mozart and other great musicians are transcendently lovely, but are appealing to a rapidly decreasing circle of admirers, and will finally be superseded by more modern composers.

"The Song of Jesus," he said, "is universal and eternal. It is sung by all men and will be sung for all time. It is the child song of the three times in every man's life when he sings the song of Jesus."

The child sings of Jesus naturally and inevitably, because of his innate sensibilities and perception.

Then the man and woman in old age ought to sing this eternal, triumphant song.

Another period when a man may sing the song of Jesus is in the hour of his life, when every star of hope is blotted out.

Mr. Hulten will preach again this evening, his subject being "The Leprosy of Sin."

New Substation.

A post-office substation, which will be known as No. 14, for the collection of mail, sale of stamps and the issue of money orders, was installed at Taglie's drug store, No. 519 East Broad, on April 1st.

WE GREET WITH HEARTY APPROVAL

the Pure Food and Drugs Act which was passed by Congress on June 30, 1906, and went into effect January 1, 1907. The people of America are entitled to protection of their health against adulteration and misrepresentation of their food, drink and medicine, and the new law will go a long stride in the direction of accomplishing this purpose.

THE REGULATION AND CONTROL

of such objectionable and perilous conditions has been demanded for many years by the American people, until their insistence compelled the respect of their representatives in the National Legislature, and produced the Pure Food and Drugs Act, so long a step in the right direction. The victory was of and by the people, and the nation should glorify in the consciousness of it.

When, eleven years ago, it became our desire to furnish the American people with a mild, gentle, convenient laxative medicine for the family, palatable but powerful, harmless but effective, we were actuated by a fundamental PURITY OF PURPOSE—to produce a perfect product, strictly pure, clean, of vegetable ingredients—easy to buy, easy to take and easy in action. In the form of a dainty, fragrant little tablet, in a neat and handy little enameled box fit for purse or ver-pocket, we produce the greatest medicine of the kind in the world, under the motto, from its inception to this day, of "PURITY." We had no guarantee that our preparation, now so famous under the name Cascarets Candy Cathartic, would make the phenomenal record, but we had the FAITH that with our honest intention, our PURITY-PURPOSE, and our insistence upon perfection achieved by great scientists, the People would find the TRUTH, would get the results, and bestow their favor on our efforts.

We have never found it necessary to change our methods, our formula or the form or quality of our product in these eleven years of its history. The sale of Cascarets, by the favor and appreciation of the American people, has achieved the phenomenal proportions of OVER A MILLION BOXES A MONTH—12,000,000 IN THE YEAR. This is the greatest demonstration of the success of an article created by a Purity-Purpose, that has been recorded.

The American people have recorded their MERIT-VERDICT about CASCARETS CANDY CATHARTIC. They have found that this little tablet has ever accomplished what was promised for it—that it was the purest, mildest, most harmless, most trustworthy medicine FOR THE BOWELS, and with faithful use would accomplish the relief of many ailments arising from disturbances in the alimentary canal. We feel that the great CONFIDENCE of the American People has been deserved, and yet we feel grateful to them for this REMARKABLE DEMONSTRATION and wish to express the HOPE that we will continue to enjoy the confidence of the American Home hereafter as heretofore.

If you have never tried Cascarets, buy a little 10c box TO-DAY, and be sure you GET WHAT YOU ASK FOR—the only GENUINE. All druggists 10c, 25c, 50c.

NEW TEMPLE OF D.O.K. FORMED

Beni Mora Is Instituted by Visiting Delegations With Impositing Ceremonies.

PARADE ON BROAD STREET

After Installation of Officers Fine Banquet Is Served to Members.

Beni Mora Temple, Dramatic Order of Knights of Khorassan, 133, was instituted at the Masonic Temple last night, degrees having been conferred upon a class of about one hundred and fifty.

The strength of the new temple is in the neighborhood of one hundred and seventy-five, some twenty-five members having been absent from the installation services last night. The work of installing the officers of the temple was done in a most impressive manner by Suez Temple No. 73, of Charlotte, N. C., and Ascalon, No. 81, of Washington, D. C., each team having contained about forty men.

The ceremonies commenced about 9:30 o'clock and lasted for three hours. About eight or ten Virginia towns, outside of Richmond, were represented, including Petersburg, West Point, Norfolk, Hampton, Leesburg, Fredericksburg, Portsmouth, Lexington and Lynchburg. A temple will be instituted in Lynchburg on May 27th and some thirty or forty members will be in the class. This work will be done by a delegation from Beni Mora Temple.

The proceedings last night were conducted with much pomp and ceremony, an imposing street parade having marched from the Richmond Hotel to the Masonic Temple. This parade was headed by a band, and in it there were two of Boston's camels, ridden by members of this order.

When the temple was reached, the members entered the lodge room, and the work of installation conferred. It was nearly 1 o'clock this morning when the ceremonies ceased and the members enjoyed to the banquet hall. Here they enjoyed a royal feast and listened to some admirable speeches.

Banquet Program.

Rev. John Halliwell Dickinson, royal vizier, presided at the banquet, and delivered a brief address.

The following toasts were responded to: "North Carolina," by Royal Vizier Baird, of Suez Temple, Charlotte, N. C.

"Washington," by Thomas A. Bynum, past grand chancellor of the District of Columbia, member of Ascalon Temple.

"District of Columbia," by G. Frank Gay, grand chancellor of the District of Columbia.

"The Caravan," by David Owens, of Suez Temple, Charlotte, N. C.

"The Oasis," by A. J. David, secretary of Ascalon Temple, Washington.

"Our Visitors," by Judge David C. Richardson, of Beni-Mora Temple, this city.

"Out-of-Town Visitors," by Herbert L. Lewis, of Norfolk, member of Beni-Mora Temple.

"Beni-Mora Temple," by Colonel Robert Catlett, of this city.

The Knights of Khorassan is a new branch of the order of Pythians, and is to this order what the Mystic Shrine is to the Masons. Beni-Mora Temple starts out under the most flattering circumstances, and among its members are many prominent business and professional men.

"Oymen to all the members who attended the ceremonies. The committee is: Hulten, chairman; J. D. Lecky, J. H. Dickinson, and R. A. Hughes.

RAILROAD NEWS FROM ALL POINTS

Damage by Floods Curtail Norfolk and Western's Net Earnings for February.

President Stevens and Vice-President Axtell, of the Chesapeake and Ohio, went down on the Peninsula yesterday on a special train to inspect the new work going on between Richmond and Old Point. The open weather of the past two weeks has given the trackmen a splendid opportunity to rush the double-tracking along to wards completion and they have taken advantage of the weather by erecting new work present in the Sunday-school that usually attends. This was due perhaps to the interest taken in the raising of the money to cancel the debt on the preacher's home.

The total amount brought in by the members of the school was \$244, of which \$178 was collected by the school proper, and \$66 by the "Little Hustlers," composed of a band of young boys selected by the pastor, Rev. D. C. G. Butts, for this special work.

Since the purchase of this piece of property by Rev. Dr. H. E. Johnson, during his second year's pastorate at Laurel Street, the congregation and Sunday-school have been indistinguishable in their efforts to pay for it, and they have been highly successful.

The parsonage, which is now the property of Laurel Street Church, is to be one of the best Methodist parsonages in the city, all things considered. It was purchased for \$5,000, but the church has been offered a much larger sum for it should they desire to sell. Since this debt has been liquidated a rumor is now afloat that this congregation will build a new church.

Mr. Butts, the new pastor, has hinted at this in the pulpit several times, and it is thought that steps looking to the erection of a new building will soon begin. Although Mr. Butts has been pastor of this church only since November, he has been highly successful in his work, and indications are that he will still do greater things at Laurel Street. He is preaching good sermons, has good congregations, and is generally liked by the people in the West End.
